

LAMIAA MUHAMMED ELEWA

SUMMARY

I'm Lamiaa Elewa, a Front-End Developer specializing in React.js. I am a Computer Science student with a deep enthusiasm for technology. My passion extends beyond front-end development to UI/UX design, networking, and cybersecurity. I enjoy exploring different aspects of technology and continuously expanding my skill set to create better digital experiences

EDUCATION

Bachelors Degree in Computer Science 2022-2026
Modern Academy Cairo - Maadi
Expected Graduation: 2025 / 2026

TRAINING/COURSES

Advanced React & Front-End Development

- Online & University Courses focused on advanced topics in React and Front-End Development

Backend Development (PHP & Laravel) - ITSHARKS

- University-Sponsored Trainings - Certification upon Graduation

Network Security (FortiGATE, SOPHOS, NSE4-XGF) - IT GATES

- University-Sponsored Trainings - Certification upon Graduation

Bug Bounty & Cybersecurity Fundamentals

- Self-Learning course that covers the fundamentals of Bug Bounty and Cybersecurity

WORK EXPERIENCE

Support Team - Code Challenge Championship

Support Team responsible for helping participants at the event

- Assisted participants with inquiries and event-related support

SKILLS

- React
- Node.js
- HTML
- CSS
- Tailwind
- Bootstrap
- Figma
- SQL
- PHP
- Laravel
- Python
- Linux
- SOPHOS
- Git

LANGUAGE

- Arabic (Native)
- English (B1-B2)

SOFT SKILLS

- Problem-Solving
- Strong teamwork abilities
- Communication
- Time Management
